MEMORANDUM FOR THE DEPUTY UNDER SECRETARY OF DEFENSE (POLICY)
DEPUTY UNDER SECRETARY OF DEFENSE (C3I)
DIRECTOR, INTELLIGENCE COMMUNITY STAFF

SUBJECT: Defense Intelligence Support Construction

Reference: Memorandum from the Deputy Director, Central Intelligence to the Deputy Secretary of Defense; Subject: Defense Intelligence Support Construction, dated 4 July 1981.

Attached is a proposed draft memorandum for the Secretary of Defense and Director of Central Intelligence, with one enclosure outlining an MOA for Defense Intelligence Support Construction.

The proposed draft MOA provides clarification of shared DoD and NFIP responsibilities regarding funding of construction projects related to National Foreign Intelligence activities. Key points in the MOA are:

-- The NFIP will fund those construction projects that provide primary operational support capability to NFIP activities.

-- The DoD will fund those construction or renovation projects related to, but incidental to enhancing NFIP activities.

Please review the attached draft memorandum and proposed MOA. I would like to have your comments by 26 July and to take formal action by 1 August.
